## 85° good viewing angle, stable and not falling

85° bracket design ensures not fall when charging and also  
provides a good viewing angle

## Apple Watch Magnetic Wireless Charger

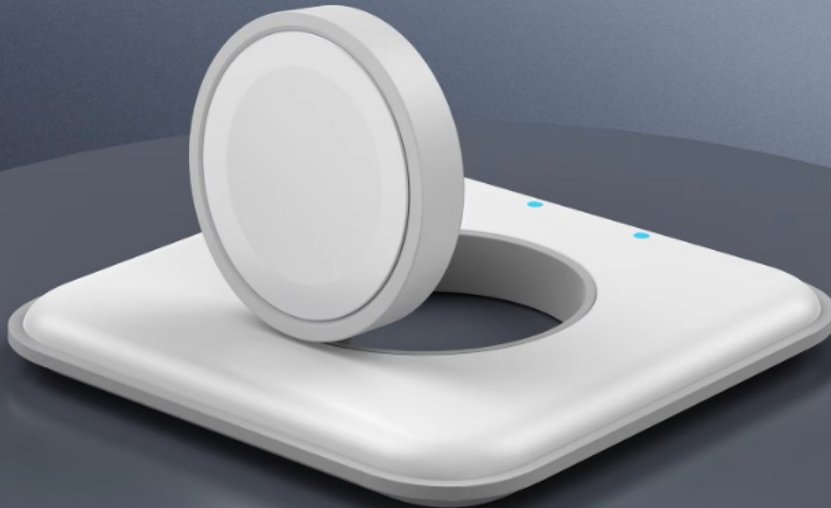

Magnetic  
charging

A holder  
stand

Convenient  
storage

## Two charging modes, lie down and stand up to charge

The module is foldable, providing two charging modes: flat and stand

When the stand is down,  
lay flat for charging

## Powerful magnetic charging, Immediately charge as soon as attached and not slip off

Not easy to slip off the iWatch when placed flat and charged upright.

## For business travel, just fit in your pocket

Portable and not occupy space, battery life for the watch anytime, anywhere
